Profile

I am a 23 years old Chinese male. I studied in UK for over 10 years and I am currently doing MScIT in University of Aberdeen. I am passionate in web developing!

Experience

THE MANCHURIAN CHINESE RESTAURANT, ABERDEEN, SCOTLAND – 2013 PRESENT

I am working as a part time waiter in this popular and busy Chinese restaurant. I have learnt to be a team player in order to work efficiently and provide the best service to our customers. I have acquired communication skills from different challenges I faced during working. It has also prepared me to work under pressure and balance myself between work, study and life.

HONG KONG POST OFFICE, HONG KONG – SUMMER 2012

During the summer, 2012, I worked as a "Worker" at Asia Airfreight Terminal. I was responsible for sorting letters and moving them to places.
